Learning to Love, Loving to Learn

Dear Parents and Carers

It was a nice albeit slightly challenging surprise to return to the playground being covered in snow on the first day back, but we certainly made the most of it (see photo below). We then went straight to Mass to celebrate the Epiphany and children in Elm, Beech and Sycamore sang a beautiful song called 'Starlight' they had learnt with Mrs McLeod-Jones, who teaches Music as part of the Diocesan Singing programme at St Louis.

Please also find below the results of the Parent survey conducted in the second part of the Autumn term. The results and how we will address 'the even better if' comments will also be shared on the school website soon.

Thank you to the PTA for recently purchasing new basket balls, footballs and tennis balls for the playground which were requested by the School Council via Mrs Brankin. The children are delighted with them!

There are a number of events to look forward to this term so please look at some of the upcoming dates below.

Warmest regards,

Lucille Martin

A number of comments were made about school holidays and the possibility of changing to a 2 week half term in October and I wanted to clarify arrangements with you. Term dates are determined by the local Authority, guided by national regulations and agreements, and our Academy Trust follows these. This ensures consistency across schools and takes into account statutory requirements, staff contracts, examination schedules, and agreed teaching days. While schools can sometimes make minor adjustments, we do not have the authority to independently decide holiday periods.
